The Mount Airy Volunteer Fire Company (MAVFC) still relies heavily on fundraising events for income. We are provided money from the Carroll County Volunteer Emergency Services Association which is primarily for EMS supplies, EMS staffing, building and apparatus maintenance. In order for us to provide the best services available we have to conduct regular fundraising events to provide funds for purchasing new apparatus and keeping our facilities up to date.

The Maryland Patriot Guard, Inc. a 501(c)3, a non-profit organization which has unwavering respect for those who risk their lives for America's freedom and security. Our primary mission is to attend the funeral services of fallen American heroes and veterans as invited guest of the family. Additionally, our group runs a HOTH program (Help On The Home front). Through our organization and with fundraising, we are able to provide support to our service members and families of those who are currently serving in our military and those who have served in the past
