## 2022 Photo Fund Drive

The Photo fund drive will begin on January 2, 2022 and end with pictures on April 20, 2022. Listed below are the employees of VFRD that will be going door to door in our first due area selling photo opportunities to the residents. Each employee will have a magnetic sign on the side of their vehicle as well as ID badges from Mount Airy Volunteer Fire Company. Most calls received here will be verifying this is legit and Mount Airy is receiving the monies collected.

Please direct any additional questions or concerns to Terry Harrison (cell) 540-379-9726 or myself, Sue Hubble vm#338
